

HFSC Member Winter Show Group Number

Due Oct. 18th
Practice begins Oct. 21st

Why a group performance?

Group numbers are so much fun! We pick fun songs and fun themes and skate with all of our skating friends! Figure skating is primarily a solo sport and group numbers allow skaters to work together as a team. Skaters are required to cooperate, problem solve, share leadership, react to music cues and execute excellent listening skills and good behavior so we can work quickly and efficiently to create a fun and professional program. Some challenges skaters will tackle will be working with skaters who are at a higher or lower skating level, taking turns and staying on task even when they are to wait while the coach works with another skater or group of skaters. It's a great learning experience for skaters! We are so lucky to have so many skaters at different levels. It adds so much to the performance. Any and all club skaters are encouraged to participate. As long as you can stand up on skates and are willing to try your best each time we work together you're good to go! Please check out the practice schedule so you can make it to each practice session and GET SIGNED UP! 😊

Fee

The fee for the number is \$10.00 per skater (payable to Crystal Ann Curry). The fee covers coaching. Skaters will need to pay HIA \$12 per skating session each Sunday. Ice sessions are NOT included in pricing. Skaters are also required to pay the \$20 Show Registration Fee (one \$20 fee per show/per family). Please include \$20 fee in larger show registration packet, Learn to Skate show registration or Bridge registration. I'll help you navigate this. We don't want families paying this more than once.

Deadline

The deadline for signing up for this event is SOON!

Please complete the attached for and return it to me with the registration fee no later **than Thursday 10/18**. The deadline will not be extended because we have a limited number of practices. If logistics get in the way please contact me about your intentions to participate by Friday Oct. 19th and hand in your completed form and payment before the start of practice on 10/21. The goal is for me to know how many skaters I'll have in the number a few days before we hit the ice.

Theme and Costume

We will be skating to a medley of Hawaiian Christmas songs since we will open the show! I would like to round up our red sparkle leos and black velvet skirts for this number. If we aren't able to make those outfits work (amount/sizes/etc.) then I will email those who signed up for the group and with an alternate costume. 😊 We will have this sorted out within two weeks.

By signing up for the group number skaters will commit to:

1. **ALL practices**
2. **Dress Rehearsal**
3. **Ice Show**

Please talk to me about possible conflicts. If I know about them ahead of time we can try to work around them. My goal is to get all skaters who want to involve but we have to have full participation to make our number success and keep it fair for all skaters.
